## ANC + ENC Noise Cancelling

Noble & Creed KLANG I has 4 Noise Cancelling MEMS Microphones and provides you with three filter modes to deal with the noise around you.

Feed Forward  
MEMS Microphone

Talk MEMS  
Microphone

# 25-dB

**Built in 4 Noise Cancelling MEMS Microphones with noise reduction technology for crisp voice calls!**

**ANC: Reduce external noise by 25dB and enjoy your music.**

**ENC: Blocks out background noises while amplifying your voice for crystal clear calls.**

**Transparency Mode: Let's you hear the world around you.**

## Bluetooth 5.2 – Superior Connectivity

Thanks to the bluetooth 5.2 chip our earbuds features a way faster, more stable transmission and yet a lower power consumption than previous bluetooth versions.
